Gentlemen (my fellow Big Brothers), we have just **three** simple things we all need to do.

When I'm out and about and ask a guy why he's not a Big Brother, 9 times out of 10 he'll say, "**Well, nobody's ever asked.**"

Let's change this. Let's change the world for the Little Brothers still on our waiting list. They deserve someone like you, too.

1. By Monday of next week, will you ask just one guy you know if he want to be a Big Brother? Send them to me or to www.BigBro.com, and don't forget that I'll always make time to meet with you to recruit them.

We've already got 8 barber shops in town asking their clients this question once a week, and we're starting to get their clients through orientations and interviews.

2. Go and thank these guys on Facebook or drop in for a cut. It's the right thing to do, and it will inspire them to keep finding us Big Brothers!

3. Engage in our social media because this is how we reach the new Big Brothers that we don't already know. Like us on [Facebook](#), follow us on [Twitter](#), and start sending us videos and pictures for our new segment on Sundays (you can also post them to our page or send them through Messenger). Start tagging with #BarbersforBIGs #BeABigSGF #RealMissouriMenMentor

Let's get after it: **Ask a guy to become a Big Brother, thank one of our Barbers for BIGs, and engage with us online.**
